

## Relationship Happiness Scale (Caregiver Version)

Name: \_\_\_\_\_ Client ID: \_\_\_\_\_ Date: \_\_\_\_\_

This scale is intended to estimate your current happiness with your relationship with your adolescent in each of the eight areas listed below. You are to circle one of the numbers (1 to 10) beside each area.

Numbers toward the left side of the 10-unit scale indicate various degrees of unhappiness, whereas numbers toward the right side of the scale reflect increasing levels of happiness.

Ask yourself this question as you rate each area: "How happy am I today with my adolescent in this area?" In other words, state according to numerical scale (1 to 10) exactly how you feel today.

Try to exclude feelings of yesterday and concentrate only on feelings of today in each of the life areas. Also, try *not* to allow one category to influence the results of the other categories.
